

round pipe seal for PRO devices, for sealing the pipe connection for mounting on stand, scope of supply: 1 round pipe seal

General information																																											
Product type designation	round tube cap																																										
Degree and class of protection																																											
IP (all-round)	IP65 when installed																																										
NEMA (front)	Yes; When installed																																										
<ul style="list-style-type: none"> Enclosure Type 4 at the front 																																											
Mechanics/material																																											
Material	Yes; Powder-coated, RAL 9006																																										
<ul style="list-style-type: none"> Aluminum 																																											
Weights																																											
Weight (without packaging)	0.24 kg																																										
Scope of supply																																											
Delivery quantity in pieces	1																																										
Components included	Round tube plug for PRO devices																																										
Other																																											
Target devices	PRO devices for support arm (extendable, round tube)
