

SIMATIC DP, ET 200ECO PN, voltage distributor PD 24 V DC; 1x 7/8", 4xM12, Degree of protection IP67

Power loss																																											
Power loss, typ.	3.5 W																																										
Potential separation																																											
between the load voltages	Yes																																										
Isolation																																											
tested with																																											
<ul style="list-style-type: none"> • 24 V DC circuits 	500 V																																										
<ul style="list-style-type: none"> • Test voltage for interface, rms value [Vrms] 	1 500 V; According to IEEE 802.3																																										
Dimensions																																											
Width	45 mm																																										
Height	175 mm																																										
Depth	49 mm																																										
Weights																																											
Weight, approx.	590 g																																										
Classifications
