

Arc protection component. RA30 arc sensor 1 detector (through hole) Cabling: 6m shielded

Figure similar

| Voltage | |
|--|--------------|
| type of voltage | DC |
| supply voltage | |
| • at DC / minimum | 12 V |
| • at DC / maximum | 12 V |
| Connections | |
| type of cabling / of the arc detectors | 6 m shielded |
| Number | |
| number of arc detectors | 1 |
| Mechanical Design | |
| width | 23.8 cm |
| height | 77 cm |
| depth | 27.2 cm |
| Environmental conditions | |
| operating temperature | |
| • minimum | -5 °C |
| • maximum | 55 °C |
